Subject: Karma Kagyü Mönlam

Since 2008 the KHCP-Karmapas Healthcare Project e.V. is very invited for the Karma Kagyu Monlam in Bodh Gaya/India.

All help bases on idealistic and volunteer work.
So we wish also in November/December 2010 and in further future a very fruitful collaboration.

This activity tries also to benefit local people at place.

We thank Pia and Peter Cerveny very much for the organisation in Europe.
