

KHCP ANNUAL REPORT 2022

Febr. 17, 2023

Dear KHCP friends worldwide,

still in 2022 COVID-19-travel- and contact restrictions made some of our usual campaigns impossible.

Nevertheless we all do our very best, as well the KHCP try to keep the activities alive. Despite we could raised a total of about 86.585 €uro (before final proof) and – like in all the previous years – these funds will be or already are swiftly allocated to their purpose. We hereby thank our supporters from our very hearts.

Due to COVID-19 we have modified our campaigns and processes. Along the inflows in our monasteries and institutions we have tried to support actively the COVID-affected and poor or old people around the monasteries.

With different reliefs in diverse remote villages like Luthan, Muktinath, Chorha and Chhattisgarh we could serve food, masks, disinfection, hygiene items, blankets etc. stuff. \

Monks and nuns of the Kagyu monasteries at place organized and realized it all and we are happy and hereby thank them for their great engagements.

Furthermore the KHCP fund the coperations with the Khyenkong Tharjay Manjughosha Association.\

A special thank to Dr. Regis Proust / K.T.M. Association for his hard-working and tireless campaigns and cooperation with KHCP in Bodhgaya.

The annual Kagyu Monlam Bodhgaya in December had been canceled again (COVID) and therefore the KHCP-medical camp there too.

Instead the 15.th KHCP-Monlam-Medical-Camp 2022 had been successful again in Rumtek/Sikkim.

So this year the Kagyu community of Karmae Sangha Rumtek (Shamarpa's school) hired professional doctor and nurses to provide free medical checkups and healthcare for participants in the Monlam as well as the local population. So we are very happy to get fulfilled the continuity of the Monlam medical camp history of KHCP - Karmapa's Healthcare Project for the 15th time.

For 2023, we need again a minimum of 100,000 Euros to be able to provide the most basic of medical treatments and supports.\|

Please be so kind and look if you are able to establish a standing donation order – it will benefit plenty friends in the Himalayas.
